Government's Net Revenue Collection: The First 7 Months of Fiscal Year 2025 (October 2024 – April 2025)

Mr. Pornchai Thiraveja, Director General of the Fiscal Policy Office and Spokesperson of the Ministry of Finance, stated that the government's net revenue collection in the first 7 months of fiscal year 2025 (October 2024 – April 2025) was 1,425,063 million Baht. The collected revenue was close to the revenue target and was 37,485 million Baht or 2.7 % higher than the same period of the previous fiscal year. Value Added Tax (VAT) from domestic consumption and State-Owned Enterprises (SOEs) remittances were higher than the target. However, automobile tax was lower than the target as the tax measures to promote Electric Vehicles have resulted in lower average tax rate.

Revenue collection in the first 7 months of fiscal year 2025 is in line with the revenue target. The Ministry of Finance will closely monitor and manage revenue collection to maintain a strong fiscal position and the ability to finance various policies of the government.
